## ANOTHER WORLD'S RECORD IS BROKEN

iver Lawson Turned the Trick in The Two Mile Open Lap

### MADE DISTANCE IN 3:49 3-5.

The Former Record, Held by W. E. Samuelson, Was 3:54 4.5 --- Heagres Won Motor Race.

Those who imagined that Iver Lawson had lest some of the speed for which he has become famous in America and Europe, have another guess coming, especia'. after his performance at the saucer track last evening when he made a most wonderful sprint in the two-mile lap race professional, and broke a world's record

all to smithereens. By his great sprint, Lawson brought the spectators to their feet in a frenzy of delight, and when he crossed the tape winner by a wide margin, beating one of the hardest combinations that could be formed, the famous Swede was given an ovation. He had to ride at a kining pace, but he did it gracefully and it looked easy for him.

pace, but he did it gracefully and it looked casy for him.

Bill Samuelson and Hopper formed the hardest combination. Samuelson did the donkey work for Hopper, and it was expected that the speedy Chicage boy would be able to land first money. Before the race was anything like over, some of the race was too killing. Samuelson pulled hopper around at terrific speed and a lap from home Hopper started his sprint. Lawson was watching him, however, and suddenly ne shot high on the bank and with grace, ull metiens began to unwind his electine sprint, the sprint that won the world's enampionship for him. Faster and faster he rode, the other riders straining every nerve to keep ahead of him, but they were quickly overtaken, Just before reaching the tape Lawson shot ahead, winning by two lengths.

This event was the main one of the evening, although the five-mile m tor race was interesting and exciting. The riders who participated in it worked the remachines for about all they were worta, and young Heagren set a 1:20 pice throughout and managed to cross over the tape a winner. A summary of the events follow:

"Ever since I was in the Army, I had more or less kidney trouble, and within the past year it becomes so severe and complicated that I suffered everything and was much alarmed-my strength and power was fast leaving nic. I saw an advertisement of Swampstrength and power was fast leaving nie. I saw an advertisement of Swamp-Root and wrote asking for advice. I began the use of the medicine and noted a decided improvement after taking Swamp-Root only a short time.

I continued its use and am thankful to say that I am entirely cured and strong. In order to be very sure about this, I had a doctor examine some of my water today and he pronounced it all right and in splendid condition.

I knew that your Swamp-Root is purely vegetable and does not contain any harmful drugs. Thanking you for my complete recovery and recommending Swamp-Root to all sufferers I am,"

We wonder why the referee did not give the decision to Gardner when Stift was on the floor and his seconds leaned over the ropes and tried to revive him with water and smelling saits. We also won-der why Stift did not get the decision when Gardner repeatedly hit him low. These are questions the fight fans are trying to settle.
